Welcome to MoraXtreme 8.0

We warmly welcome you to the MoraXtreme 8.0 Programming contest! We hope your team will have a wonderful time competing and solving these challenging questions.

We plan to release the 12 challenges regularly during the next 12 hours. The first three challenges will show up right now, and we will release one question each hour.

If you have questions regarding the challenges, do not hesitate to contact Oshadha (+94 76 190 1086) and clarify any doubts.

Finally, we would like to extend a special thank you to all the volunteers who helped make MoraXtreme possible and our sponsors and partners for helping us support this fantastic event.

Your first task is to output a message you would like to say to the MoraXtreme 8.0 team.

Happy hacking!
